CAMEROON

BUSINESS TRIP

Within the framework of the remarkable economic and developmental progress in Africa, and the achievement of some countries in Africa by high growth rates, and in light of the tendency of the major industrial and commercial countries to enter the African market in front of their products and services, we, the Egyptian-African Businessmen's Association realize the necessity of contributing to the strengthening of African trade cooperation through Integrated business trips. And we decided that the first business trip would go to Cameroon, along the lines of the Forum for Innovation and Entrepreneurship in Cameroon.

VISION

Start an Africa-Africa business relation to develop opportunities for entrepreneurship, investment, trade, and export around Africa.

MISSION

To create new economic cooperation and identify and invest opportunities to develop a viable vision with active participation in African development.
