1- Project Description:

The inclusive school program includes the construction of 30 new schools distributed in different Jordanian governorates. The construction services will include architectural, electrical, mechanical, civil, structural, finishing, landscaping, site works and other works related to the project. The full architect-engineering designs have been developed and will be available for tender for the qualified firms. The approximate built up area of each new school will be around 7500 square meters. Schools will be tendered in packages starting February 2023 through the end of 2025.

2. The eligibility of firms to participate in resulting construction tenders will depend on the financial capabilities of the firm, classification, and workload.
3. Bidders must be registered in the Jordan online E-procurement system (JONEPS) (www.joneps.gov.jo). Bidders who have not previously been registered, can visit GTD to register on the system starting from 22nd January 2023 to 12th February 2023.
4. Bidders can download the pre-qualification documents free of charge from the GTD website or from Jordan online E-procurement system (JONEPS) starting from 22nd January 2023.
5. A Pre-qualification Conference, question and answer session, will be held at the Ministry of Public Works and Housing (MPWH) on Ahl-Alazam hall, on 30th January 2023 at (11:00) am. (Amman local time). Bidders are strongly
