10 September 2023

Dear Dr El Sharkawi

Re: Visit of Premier (Governor) of Eastern Cape Province, 18-20 September 2023

The Premier of the Eastern Cape, Honorable Lubabalo Oscar Mabuyane will be travelling to Cairo on a working visit from 18-20 September 2023.

The Honorable Premier is bringing senior officials of the Eastern Cape province as well as business from the Eastern Cape Chambers of Commerce, Eastern Cape Business Council and members of the Eastern Cape Development Corporation as members of his delegation. A list of the delegates and their organisations is attached for ease of reference.

The Premier is intending to host a business seminar/meeting with Egyptian business on 18 September 2023 and would like to engage yourself and members of your Association with a view to increasing trade between South Africa and Egypt.

It would be highly appreciated if you and members of the Association could be available to meet with the Premier and his delegation. The delegation is focused in the areas of agriculture, rural development, environmental affairs, tourism, trade investment and innovation, energy, amongst others.

We hope that you and the members of your association will be available to meet with the Premier and his delegation. A proposed programme is also attached. We look forward to hearing from you at your earliest convenience.

Kind regards

TSIKI JOSEPH MASHIMBYE
Ambassador of the Republic of South Africa
