# About EABA

## **Egyptian African Businessmen's Association (EABA)!**

EABA, a prominent Egyptian association established in 2019, comprises +17 representatives across the African continent. Operating in various sectors, it functions through 22 sectoral committees.

We are committed to updating business and civil society organizations in the investment and economic sectors. Our mission is to drive transformative change and enhance innovation in the African business landscape, with a focus on the continent's boundless potential and diverse talents
