INTRODUCTION

As part of the cooperation between the Islamic Centre for the Development of Trade (ICDT) and the Ministry of Trade and Export Development of the Republic of Tunisia, the two parties have decided to undertake operational activities aimed at promoting trade and investments among the OIC Member States, so as to meet the objectives of the Ten-Year Action Plan (2016-2025) of the Organization of Islamic Cooperation (OIC), adopted by the 13th Summit Conference of the OIC , held in April 2016 in Istanbul – Republic of Turkey, aiming to increase the share of intra-OIC trade in the global trade of Member States to 25% by 2025.

In this regard, and in accordance with the resolutions of the 37th Ministerial Session of the Permanent Committee for Economic and Commercial Cooperation of the OIC (COMCEC), held in November 2021 in Istanbul – Republic of Turkey, the Islamic Centre for the Development of Trade (ICDT), the Institute for Standardization and Metrology of Islamic Countries (SMIIC) and the Société des Foires Internationales de Tunis (Company of International Exhibition of Tunis) are organizing under the patronage of the Ministry of Trade and Export Development of the Republic of Tunisia, the 10th edition of Expo Halal of the OCI member states from 8 to 12 October, 2024 at the Kram Exhibition Grounds.

The Exhibition objectives are the following:

- Promote products and services related to Halal industry;
- Enable actors in the Halal sector to promote their products and services through a trade exhibition;
- Allow decision-makers and experts to exchange their experience on Halal industry;
- Develop partnership and strategic alliances between actors of the Halal sector in the OIC Member States;
- Facilitate the dissemination of information on the intra-OIC supply and demand of products and services related to the sectors covered by the Exhibition;
- Create a platform for meetings between professionals;
- Develop intra-OIC investments in the Halal sector;
- Facilitate stakeholders' access to innovative products and know-how in the field of new techniques related to the Halal industry;
- Generate business contacts, and connect manufacturers and service providers with all actors in the Halal Industry

The Exhibition will focus on the following areas: Halal Tourism, Islamic Finance, Franchising, Education, Textile and 'modest fashion', Food and Beverage Industry, Cosmetics and Personal Care, Packaging, Certification and Accreditation Bodies, Advertising and media, machinery, manufacturing process and logistics of the Halal industry.

For this Exhibition, the organizers provide the exhibitors with:

- 25,000 m²: total covered area spread over 3 halls, an international trade centre and storage areas
- A staff and high-performance exhibition equipment for the layout and decoration of the stands;
- A platform to facilitate thematic and partnership meetings;
- A business connection service between the exhibitors or between exhibitors and professional visitors;
- Facilities for the entry and exit of people and products in Tunisia;
- Preferential rates on transport, freight, accommodation and transit.

The technical characteristics of the halls of the Exhibition Centre and International Trade Centre of Tunis
