

An aerial photograph of a savanna landscape with several giraffes scattered across the terrain. A large, thick yellow graphic element, resembling a stylized 'S' or a curved arrow, starts from the top right and curves down towards the bottom right. A solid yellow circle is positioned at the bottom right of the image, partially overlapping the yellow graphic.

**RUAHA NATIONAL PARK &
IRINGA ACTIVE SAFARI FAM
TRIP**

Ruaha National Park is one of Tanzania’s famous wilderness areas where one can have a rare experience of game viewing spiced up by the fascinating landscape. The park is rich in plants and wild animals such as Greater Kudu which can’t be found easily in other parks. The park forms an untouched and unexplored ecosystem, making visitors’ safari experience- a truly African wilderness adventure. Visitors can explore the park’s beauty through Walking safaris, Hot air balloon safaris adventure, game drives, tourist activities in the Greater Ruaha River, and cultural tourism activities in the communities surrounding the park.

While in Iringa, you will explore one of the world-class Stone Age Sites, Chief Mkwawa’s Fort, Iringa Boma Museum, breathtaking views, and rock art paints. A visit to community development projects and a sampling of local food and wine will be part of the program.
