

السادة أعضاء جمعية رجال الأعمال المصريين الأفارقة المحترمين

استكمالاً للجهود المستمرة والعلاقات المتميزة التي تربط جمعية رجال الأعمال المصريين الأفارقة بشركائها الاستراتيجيين، وحرصاً على تعزيز التعاون مع الجهات الخارجية، فقد ورد إلينا دعوة من MAZEN GROUP – EGYPT بشأن بدء الإطلاق التجريبي لمنصة MZVEST للمقايضة التجارية والصناعية (Beta Version) ، والتي تهدف إلى تسهيل عمليات التبادل التجاري والصناعي والخدمي والاستثماري بنظام المقايضة دون مقابل نقدي مباشر (NO CASH NEEDED – ONLY BARTER – ONLY CONCEPT) ، من خلال إتاحة الفرصة للشركات لعرض منتجاتها وخدماتها وأصولها وفرصها الاستثمارية للتبادل الكلي أو الجزئي مع شركات أخرى، بما يساهم في تعظيم الاستفادة من الموارد المتاحة وتقليل الاعتماد على السيولة النقدية، علمًا بأن MAZEN GROUP – EGYPT تُعد من المجموعات الرائدة في مجالات المقاولات والإنشاءات الصناعية واستيراد وتوزيع خامات البناء وألواح وقطاعات الصلب، بالإضافة إلى تنفيذ مشروعات نقل خطوط الإنتاج (Relocation Projects) من أوروبا إلى مصر والشرق الأوسط وأفريقيا، بخبرة تمتد لأكثر من 35 عامًا في السوقين المحلي والدولي، ومن خلال هذه المنصة يمكن لشركتكم الموقرة عرض منتجاتكم وخدماتكم وأصولكم للتبادل مع شركاء موثوقين، وتوسيع شبكة علاقاتكم التجارية، وتعزيز فرصكم التسويقية عبر نظام تبادل مبتكر يتيح الحصول على الاحتياجات المختلفة دون تكلفة نقدية مباشرة كليًا أو جزئيًا، وعليه ندعو سيادتكم للنظر في الاشتراك بالمنصة والاستفادة من خدماتها، مع إمكانية ترتيب عرض توضيحي لشرح آلية العمل وسبل الاستفادة منها.

**MAZEN
GROUP**

*** EGYPT ***

A partner you can rely on

LETTER FROM THE MANAGER

Dear client

It is our pleasure to introduce ourselves as **MAZEN GROUP**... said to be one of the reputed industrial groups working in the construction field in Egypt.

In 1989... We began our first steps in the Egyptian construction market...

In 1991 MAZEN ENGINEERING ESTABLISHMENT was founded...our scope was to provide our Egyptian & foreign clients with all engineering services needed to construct & establish their industrial projects in Egypt all through its industrial cities , free zone areas & newly established industrial communities .

Few months later... **MAZEN CONSTRUCTIONS** was established working on turn key basis for the construction of industrial focused projects

In 1995 we found that it was necessary to have our own structural steel fabrication facility... SO... **MAZEN STEEL FACTORY** was established aiming to fabricate the structural steel units needed for the construction of different industrial purposes.

In 1999 our new achievement was fulfilled... **MAZEN REHABILITATION & MAINTENANCE** sector took place... Its main goal was to rehabilitate old factories / renew old buildings (locally) in addition to relocate /transfer/ dismantle and rebuild of foreign factories in Egypt... several projects were successfully executed for such aim covering steel factories / paper mills / garments manufacturing facilities ...and much more other industries.

Finally...**In 2008** ...our new sector was born... **MAZEN INTERNATIONAL TRADE** began its work...mainly for the importing of a group of new/unique/high engineered products to serve the construction field.

We are proud that after all those years we have become one of the reputed groups working in Egypt in the industrial construction business... This was achieved by the efforts of all **MAZEN GROUP** employees... and first of all... by God's blessing and kindness.

In the near future... we may need no further expansion... but sure We need more efforts to keep what we had achieved.

Dear client... **ANYTIME / ANYWHERE** and by **ALL MEANS** we ensure you that we will do our best helping you to achieve your goals.

Thanks & Best Regards,
Struct. Eng. **W. MAZEN**

**MAZEN
ENGINEERING**

*** EGYPT ***

MAZEN ENGINEERING

MAZEN ENGINEERING is the sector of **MAZEN GROUP** which is nominated for providing its clients with all engineering and technical services, assistance & advice concerning All aspects related to the establishment of their new industrial projects in Egypt

These services could be concluded as follows:

- **PREPARATION** of preliminary / final engineering feasibility studies for new projects... including proper choosing of project site / project area / environmental aspects ... etc. complying with the type of industry needed.
- **GETTING THE CLIENT ACKNOWLEDGED** with all Egyptian regulations needed to be fulfilled to achieve a good / prosperous / fast constructed and extendable investment in Egypt.
- **PREPARATION** of all needed design calculations & drawings... including architectural / structural / electrical / sanitary / firefighting/ HVAC designs ...etc. In addition to the preparation of all related documents and paper work needed to issue the construction certificates and governmental approvals for the project.
- **ACTING** on behalf of our client in issuing and releasing of all governmental permissions & approvals needed to start the construction phase / installation of machinery / commissioning... and till start up phase of the whole facility... in addition to releasing of final work permits needed to start production .
- **PERFORMING** all project management aspects during project life time... that includes preparation and monitoring time / work schedules... cost controlling tables / cash flow plans & programs to ensure its conformation with the preliminary feasibility study.

At last we shall be proud to hand you over a **WELL CHOSEN, WELL DESIGNED, and WELL MANAGED... finished IN TIME...** executed **...WITH OPTIMUM COST** project.

**MAZEN
CONSTRUCTIONS**

*** EGYPT ***

MAZEN CONSTRUCTIONS

MAZEN CONSTRUCTIONS is considered the main sector of **MAZEN GROUP** which is mainly responsible of carrying out all construction works for the execution of the industrial projects on **TURN KEY BASIS**.

Our projects vary a lot ...same as our clients... in consideration of their business interests.

*- **MAZEN CONSTRUCTIONS** has built steel rolling mills / paper production factories / grain silos / underground tanks and tunnels / maintenance workshops / container handling ship yards / chemical factories / food processing factories / slaughter houses / cold storage warehouses / pharmaceutical manufacturing facilities ... And much more other industrial projects.*

*- **MAZEN CONSTRUCTIONS** is always nominated by most of the reputed consultant offices in Egypt and abroad and has a very good reference with them ...the result of which... is the regular invitations to participate in their new projects.*

*- At last we shall be proud to hand you over your project **WELL CONSTRUCTED / WELL FINISHED** and most important **CONSTRUCTED IN TIME** with a considerable **HIGH QUALITY**.*

www.mazengroup-egypt.com

**MAZEN
STEEL**

*** EGYPT ***

MAZEN STEEL FACTORY

MAZEN STEEL FACTORY is the sector of **MAZEN GROUP** which is in charge of all aspects related to steel construction business.

Our scope in **MAZEN STEEL FACTORY** could be concluded as follows:-

- **DESIGN** of All structural steel constructions for different purposes such as... factories / warehouses / industrial towers / aircraft hangars / grain silos / car service workshops / pipes racks / multistory industrial buildings / residential buildings... etc.
- **FABRICATION** takes place in our workshops in a systematic procedure starting from proper material handling for plates & sections / cutting & slitting / drilling & punching / joining & welding / surface cleaning & painting / packing & shipping to job site.
For special works ... we are proud to have some strong reputed associates & sister companies to relay & depend on.
- **QUALITY CONTROL AND ASSURANCE** are performed in house... all through fabrication steps to ensure the best quality **MAZEN STEEL CONSTRUCTIONS** is always known for.
- **INSTALLATION WORKS** of such constructions are done by **MAZEN STEEL** crew... a very unique staff of engineers, skilled foremen, professional erectors, certified welders, site painters and other professions using all up-to-date lifting & installation equipments such as mobile cranes & lifting tools complying with the type of project executed.
- Because all building items are properly highly designed & detailed using up to date international or in house software programs... Sure you'll **SAVE TIME, SAVE MONEY** and **BE SATISFIED**.
- At last we shall be proud to hand you over a **WELL DESIGNED / WELL FABRICATED** and **WELL CONSTRUCTED** steel building.

**MAZEN
REHABILITATION
& MAINTAINANCE**

• EGYPT •

MAZEN REHABILITATION & MAINTENANCE

MAZEN REHABILITATION & MAINTAINANCE Sector is a very important & unique section in **MAZEN GROUP**. We are considered one of the very few companies in Egypt which are specialized in such business.

Our works in this branch can split into two main parts as follows:

(A) FACTORIES TRANSFER (Relocation from foreign countries to Egypt)

This includes the following activities:

- Total evaluation of factories under scope to ensure the benefit of rehabilitation / maintenance / and transfer (re-locate).
- Preparation of AS / IS Drawings for factories needed to be transferred to Egypt.
- Match marking & logical filing for all components in its original site abroad to be re-installed back in Egypt.
- Supervision on dismantling & packing of all related items.
- Preparation of Shipment documents / customs clearance permits / taxes recovery certificates on behalf of the client.
- Preparation of site / buildings construction drawings in the new site in Egypt.
- Supervision on the construction phase (Executed by **MAZEN CONSTRUCTIONS/ MAZEN STEEL CONSTRUCTIONS** or others).
- Over-hauling of machines (Whenever Needed).
- Re-installation of machinery / fittings / pipelines/ related equipments ...etc.
- Completion of missing parts / providence of spare parts / locally manufactured or overseas imported.
- Supervision on testing / commissioning and start up phases... till handing over.

www.mazengroup-egypt.com

ALL the previous mentioned scope is also accompanied with the preparation and handing over the client a complete set of technical documents to be kept for further use.

During all the previous mentioned phases we can assist the client in choosing & training a complete technical staff... to be familiar with the job under consideration and related kind of industry performed which is achieved by attending all the above mentioned scope from its early beginnings.

(B) BUILDINGS REHABILITATION & MAINTENANCE (For Local Established Factories)

This other part is usually done to our clients as a special service.

That includes works done in old factories to expand their life span and production ability.

*Activities included in this part could be assumed **as some... but not all...** of what is mentioned in item (A) previously stated but performed locally.*

For such activities we have an honored list of clients which has appreciated a lot our efforts for performing such works. Such clients are both ...in the governmental sector and in the private sector.

*At last we shall be proud to **PROFESSIONALLY** hand you over **YOUR OLD FACTORY** having a **NEW LOOK...**or your old facility **TRANSFERRED** from its original site abroad **AND RELOCATED** to your **NEW CHOSEN SITE** in Egypt*

THANK YOU VERY MUCH

*When we review the long list of our honored clients & consultants ...
We really feel much proud that all those famous names had put their
total confidence in **MAZEN GROUP**.*

*Sure... that makes us feel that we deserve this confidence as most of
our clients come back with further business or recommend us to new
clients.*

*So... it's our pleasure to express our gratitude and special thanks to our
sincere clients listed below ...**AGAIN...THANK YOU VERY MUCH***

NEW DEPARTMENT

MAZEN INTERNATIONAL TRADE

As we all observed ... That during the last decade Construction business all over the world is growing in a tremendous way Leading to the great need of using new trends, materials and ideas every day Leaving behind old methods & procedures used for many years in the past which is no longer acceptable and became out of date ... Opening a wide field for innovation to take place . For that reasons ... And due to our many years of experience in such construction business ... We have found that it is high time to open a new window to view certain specified fields by observing new trends... merging them with our traditional engineering & constructional principles & theories.

*So ... We had to **update** contacts with our international associates all over the world to **ask, observe, collect & choose** some **unique & first class** products to focus on ... Putting all our piece of mind for the sake of this mission.*

*Of course ... **Quality** is a **value** Put **Price** is also a **value** So our chosen products are assumed to have those two values.*

It is a fact that the market is always open to buy From us ... Or from anyone else ... But always the customer has to consider that high standard engineered products like those we are offering Never comes cheap.

*Moreover ... And as they always say **Seeing is believing** ... So Please **pay us** a visit first **See** all what we have to offer **Then** ... Sure you will **believe** what we are saying.*

***Finally** ... We hope you'll find something interesting in the attached products list accompanied with the catalogues & leaflets of our associates / partners / manufactures covering different fields of construction business*

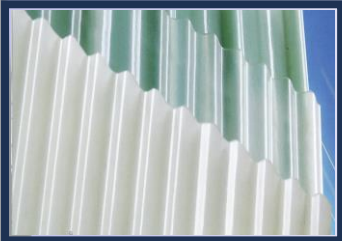

...In case of any inquires ... Please don't hesitate to contact our R&D / sales staff.

*We are always looking forward to establish a **fruitful...long-term** relation with our sincere customers.*
